

Ilie Cazac is free!

On October 31, Ilie Cazac was released from detention. According to Promo-LEX he is now at his home in Bender city.

Ilie Cazac, 26, formerly an officer at the Fiscal Inspectorate of the Tighina municipality, a town under the de facto jurisdiction of the illegal Tiraspol authorities, was arrested on March 19 by the officers of the self-styled Ministry of Security of the unrecognized Transnistrian republic on charges of "high treason and spying for the Republic of Moldova".

On April 21, 2010 Promo-LEX lodged the case of Ilie Cazac before the European Court of Human Rights, alleging the violation of art. 3, 5 and 13 of the Convention. The case was registered under no. 22365/10.

On 9 February 2011, following a non-transparent so-called trial and being deprived of basic rights such as access to an independent lawyer and communication and visitation rights, the young man received a cruel "sentence" jailing him for 14 years.

On July 17, 2011 World Organization Against Torture, expressed concern about the physical and psychological integrity of Ilie Cazac, more information [here](#).

Ilie Cazac and his family reside in Bender city, which is a zone of high security regime. Thus, Promo-LEX requested constitutional authorities to provide individual security measures and an investigation by a physician.

Promo-LEX Association would like to thank all those who were involved in activities of monitoring the situation and facilitate the release of Ilie Cazac.
