URGENT APPEAL

Special Rapporteur on Torture
c/o Office of the High Commissioner for Human Rights
United Nations Office at Geneva
CH-1211 Geneva 10
Switzerland
E-mail: spp@ohchr.org

Mr. Nils Melzer

10 May 2018

Your Excellency,

Association "Promo-LEX" would like to draw your attention to the case of Cosmin Ștefăniț
held in pre-trial detention in hospital- Penitentiary no 16 from Proneș, a penitentiary
institution that can not provide the proper treatment to keep the victim alive.

This case points out about the problem of excessive and unjustified use of pre-trial detention
in Republic of Moldova, as well as the issue of insufficient provision of medical assistance in
prison, endangers human lives.

Through the current appeal the victim finally request urgent action in order to save his life.
Because he continue to be subject of torture through the fact that starting with 26 September
2017 until now, the extended pre-trial detention puts in peril his life.

In the context of the current appeal, we respectfully request that your office, urgently inquire
into this matter and request the Government of Republic of Moldova to take all necessary
measures in order to save the victim's life.
